

Klaus Dobrunz

The image shows three bronze sculptures by Klaus Dobrunz, each standing on a circular wooden stump. The sculpture on the left is a man with a shaggy, light-colored wig, wearing a striped shirt and light-colored pants. The middle sculpture is a woman with long, dark hair, wearing a purple short-sleeved top and blue pants, carrying a black bag. The sculpture on the right is a bald man wearing a dark, patterned turtleneck sweater and dark pants. The sculptures are set outdoors on a paved area with a brick building and bare trees in the background.
